

**Neuform Custom Metal Fabricators** is located on Farris Rd in Wainfleet and is operated by Kevin Neudorf. The facility has been operating for the last 18 years since its inception in 1990.

Neuform is a custom metal fabrication facility specializing in:

- Custom formwork for concrete and refractory
- Industrial repairs both on and off-site
- Catwalks / platforms
- Metal anchoring systems

Also available are various custom steelwork repairs and new fabrication utilizing mechanical breaks, shears, rolling equipment and custom machining.

Shop hours are:

Monday to Friday 8am – 4pm
